

Regular Care Maintenance

To keep floors at their best we recommend that they be dusted, mopped and vacuumed at least twice a week and more often in high traffic areas.

Regular dusting, mopping or vacuuming is essential to the care of your new flooring. A good quality dust mop or vacuum attachment is the most effective tool for cleaning dust and dirt from your floors.

Spills and tracked in dirt can be clean with Bona X products such as Bona X Hardwood Cleaner Or Bona X Laminate Cleaner.

Recommended Cleaners and applicators:

- Bona X Hardwood Floor Cleaner
- Bona X Laminate Floor Cleaner
- Bona X Microfiber Dust Pad
- Bona X Microfiber Floor Cleaning Pad

Do not use any of the following cleaners or similar products in nature:
